What's the urchin stolen and how do I get it?

- A. He'll pick up anything that's left around.
- B. You have to induce him to drop what he's carrying.
- C. The urchin isn't really very afraid of you.
- D. He's obviously afraid of something, though.
- E. First search all aboveground locations.
- F. Have you found anything that's really scary?
- G. How about the dead rat? That might do the trick.
- H. No, but the mummified hand pretty yucky.
- I. The severed hand would be even yuckier if it moved.
- J. Put the mummified hand in the vat and wait.
- K. When it reanimates, show it to the urchin.
